Dobbs v. Jackson Women’s Health: A Challenge to Roe

- **December 1, 2021:** Supreme Court heard oral arguments in *Dobbs v. Jackson Women’s Health Organization*, a case about a Mississippi law banning abortion after 15 weeks
- **June 22, 2022:** *Dobbs* ruling released
 - The Supreme Court upheld the ban, overturning *Roe*
 - Each individual state now can decide whether to keep abortion legal, or not

4

State of Abortion Care in Michigan

- Michigan's **1931 Criminal Abortion Law** is currently on the books, which bans abortion except if the life of the mother is at risk
- Lawsuits by Governor Whitmer and Planned Parenthood to obtain a Michigan Supreme Court ruling that abortion is a **state constitutional right**
- State Ballot Initiative - will bring Reproductive Rights to November ballot

5

6

Student Engagement

- Two Focus Group/Listening Sessions for Students in July
- Student Feedback Summary
 - Information
 - Access to Reproductive Health Services
 - Question on Coverage of Services
- Listening Circles (September-October)

7
