

An aerial photograph of a university campus with various buildings, green spaces, and streets. A blue banner is overlaid on the image.

IF YOU COULD CHANGE THE UNIVERSITY, WHAT WOULD YOU CHANGE?

Have an innovative idea to improve undergraduate education and academic success on our campus and at scale?

Pitch your project for UNDERGRADUATE EDUCATION AT MICHIGAN

The new Vice Provost for Undergraduate Education wants to hear your pitch and is offering a paid fellowship for individuals and teams to turn their ideas into action.

We're looking for intriguing *ideas* that have the *potential* for further development and future implementation. The ideas must touch directly on **academic achievement** and **student success**.

Examples include:

- Increased access to information for first-year students and first-semester transfer students
- Technological solutions for departmental advising in specific programs
- Ways to rethink grades and grading practices, and transcripts

INTERESTED?

Complete our interest form via the QR code and attend our final workshop on **January 21st** on storytelling and pitching, and plan on a round of practice pitches.

Not quite ready this year? Don't worry, this is the first of a three-year partnership!
